

Virtual Service Desk

Viener Consulting, Inc. is pleased to offer the Virtual Service Desk for your business needs.

Whether you're having trouble with network connectivity, handheld devices, administrative tasks, printers and drivers, servers, or a variety of applications, we're here.

Our trained staff is available 24 hours a day, 7 days a week, to guide you through every step on the way to resolving your software or hardware issue.

Services Include:

- Total Desktop Care
- Remote Help Desk and 24/7 Assistance
- Direct Calls to Our Toll-Free Number

Benefits:

- Receive Support Anytime, Anywhere
- Reduced Downtime Waiting for Help
- Complete Monitoring of IT Infrastructure

As low as \$49/mo. per workstation*

*Pricing varies depending on slate of services ordered.
